

BIRDS RECORDED AT STURT POND 2002 TO 2018

Between Sept. 2002 and Sept. 2003 Licenced bird ringer Graham Giddens undertook a year-long ringing programme at Sturt Pond. 592 birds were ringed. He also recorded the birds associated with the nature reserve or flying over (FO). Since February 2009, members of the Milford Conservation Volunteers (MCV) have continued recording birds seen at Sturt Pond as below.
