ANNOUNCEMENT

We are honoured to announce that the Milford Conservation Volunteers have been awarded the Queen's Award for Voluntary Service. This is the highest award a voluntary group can receive in the UK and is equivalent to an MBE.

Representatives from our group will be attending a garden party at Buckingham Palace in May 2021 along with other recipients of this year's award. There were only four other Hampshire voluntary group winners.

The Queen's Award for Voluntary Service aims to recognise outstanding work by volunteer groups to benefit their local communities. It was created in 2002 to celebrate the Queen's Golden Jubilee. Winners are announced each year on the 2nd June.

Representatives from Milford Conservation Volunteers will receive the award from Nigel Atkinson Esq. Lord-Lieutenant of Hampshire later this summer. The Lord-Lieutenant is appointed by HM The Queen as her personal representative in Hampshire.

This award is an incredible recognition of the huge amount of work gone into the group by all members past and present, we are all humbled by the nomination and look forward to the recognition which it brings.

Thank you to everyone who has supported our group.
